Through: Project Supervisor/ Guide and Training and Placement Officer, B.I.T Sindri

Subject: **Application for Internship Position at NHAI**

With due respect and humble submission, I'm **KARAM CHAND MAHATO**(B.Tech. 6<sup>th</sup> Semester) writing to you regarding the Project **Intern role** that opened up recently. I came across the opportunity from the TAP Cell, B.I.T Sindri and was delighted to find that my academic accomplishments meet all of the necessary requirements. I am seeking a challenging but application centric internship, which is why I was drawn to this exciting opportunity.

As an undergraduate at B.I.T Sindri, I have acquired **laboratory skills in Building Materials and Concrete Technology, Strength of Materials**. I have also done **field survey** in my college. I had qualified **GATE 2021** in the 3rd year only with **RANK 4179**. Currently, I hold a CGPA of **8.44**. In between, I also visited a site under NHAI Ranchi for Vocational Training and performed **some Cement, concrete and Soil tests**. That short experience has kindled me in great way to pursue an internship for a long project.

I would be delighted to have an opportunity to go for further rounds or Personal interview. Please accept the enclosed resume and feel free to contact me at your earliest convenience. I am thankful & appreciate your time and consideration.

Your Sincerely,

*Karam Chand Mahato*
